	<i>Laura Farnell's a cappella T(T)B settings of Gloria Deo, Dona Nobis Pacem and Jubilate Deo may be performed as a set or separately. Gloria Deo and Jubilate Deo, very rhythmic in nature, are contrasted by the Dona Nobis Pacem. Your young men will enjoy singing this wonderful set on every concert throughout the year. ___ BL709	<a href="#">The West-Country Lover</a> (TTB, a cap., opt. accomp.) .....	Farnell \$1.80
	<i>This wonderful piece describes the West-Country lover growing weary of trying to win a girl's heart and his plans to ride off on his horse to find new love and joy of life elsewhere. However, because he still cares for her, their parting is a pleasant one. This piece was designed to be sung a cappella, but the optional accompaniment will only enhance this expressive work.
